Opportunities to help out at Bishop's Castle Town Hall

Bishop's Castle Town Hall is an 18th Century Grade II* Listed Building open to the public providing an information service for local people and visitors to the town; a location for local markets, local crafts and products; a community facility for meetings and events; a licensed wedding venue and the home of the Town Council.

Sitting proudly at the top of the town, the building has been at the heart of our civic, economic and social history for the past 250 years. After many years of fundraising and development work, the Town Hall underwent major renovation completed in June 2014.

This has resulted in a new life and purpose for the building, sensitively balancing the building's history with modern day comforts, ensuring its future is safe for the people of Bishop's Castle for generations to come.

The renovation is a triumph of input from local people, their generosity of spirit and wealth of expertise. To deliver our plans for making the Town Hall a community hub, we need the continued support of local people who are willing to help us in a variety of roles.

There are opportunities for a regular time commitment or, alternatively, occasional involvement. The Town Hall Trust and staff are looking for people to join the team.

Interested? Please return the this form or contact us:
